It is the policy of Department of the Navy to:

(a) Ensure that all its personnel comply fully with 5 U.S.C. 552a, DoD Directive 5400.11 and DoD 5400.11-R, to protect individuals from unwarranted invasions of privacy. Individuals covered by this protection are living citizens of the U.S. or aliens lawfully admitted for permanent residence. A legal guardian of an individual or parent of a minor when acting on the individual's or minor's behalf, has the same rights as the individual or minor. (A member of the Armed Forces is not a minor for the purposes of this subpart and subpart G of this part).

(b) Collect, maintain, and use only that personal information needed to support a Navy function or program as authorized by law or E.O., and disclose this information only as authorized by 5 U.S.C. 552a and this subpart and subpart G of this part. In assessing need, consideration shall be given to alternatives, such as use of information not

individually identifiable or use of sampling of certain data for certain individuals only. Additionally, consideration is to be given to the length of time information is needed, and the cost of maintaining the information compared to the risks and adverse consequences of not maintaining the information.

(c) Keep only personal information that is timely, accurate, complete, and relevant to the purpose for which it was collected.

(d) Let individuals have access to, and obtain copies of, all or portions of their records, subject to exemption procedures authorized by law and this subpart and subpart G of this part.

(e) Let individuals request amendment of their records when discrepancies proven to be erroneous, untimely, incomplete, or irrelevant are noted.

(g) Ensure that adequate safeguards are enforced to prevent misuse, unauthorized disclosure, alteration, or destruction of personal information in records.

(h) Maintain no records describing how an individual exercises his or her rights guaranteed by the First Amendment (freedom of religion, political beliefs, speech, and press; peaceful assemblies; and petition for redress of grievances), unless they are:

- (3) Within the scope of an authorized law enforcement activity; or
- (4) For the maintenance of certain items of information relating to religious affiliation for members of the naval service who are chaplains. This should not be construed, however, as restricting or excluding solicitation of information which the individual is willing to have in his or her record concerning religious preference, particularly that required in emergency situations.

(5) Maintain only systems of records which have been published in the FEDERAL REGISTER, in accordance with periodic Chief of Naval Operations Notes (OPNAVNOTES) 5211 and

§ 701.105. These OPNAVNOTES 5211 provide a listing of all Department of the Navy Privacy Act systems of records and identify the Office of Personnel Management (OPM) government-wide systems containing information on Department of the Navy civilian employees, even though technically, Department of the Navy does not have cognizance over them. A Privacy Act systems notice outlines what kinds of information may be collected and maintained by naval activities. When collecting/maintaining information in a Privacy Act system of records, review the systems notice to ensure activity compliance is within the scope of the system. If you determine the systems notice does not meet your needs, contact the systems manager or Chief of Naval Operations (N09B30) with your concerns so that amendment of the system may be considered.
